

MEDIA RELEASE

23 March 2022

Talaria and Vinnies partner to deliver an extra hand up for communities

Talaria Asset Management are delighted to have recently formalised their partnership with St Vincent de Paul Society – ‘Vinnies’.

The partnership will cover three strategic areas of the organisation’s work in the community: Vinnies Soup Vans and the accompanying Talaria gift card program; The Vinnies No Interest Loan Scheme (NILS); and general sponsorships and events including the Vinnies CEO Sleepout.

Talaria CEO Jamie Mead said: “We’re delighted to formalise a partnership that began with the onset of COVID in 2020 and has grown steadily since. Vinnies is a truly iconic and much-loved organisation that has been helping people and communities for over 170 years. It’s a privilege to be able to contribute to that legacy going forward.”

St Vincent de Paul Society Victoria CEO Sue Cattermole said: “It’s great to have the Talaria team deepen their commitment to helping our work in the community. We are constantly looking to innovate the ways we serve our communities, and this partnership with Talaria is a great example of that.”

The partnership will include Talaria supporting Vinnies through raising funds, volunteering time for skilled and unskilled work, as well as providing direct financial donations.

“At Talaria our purpose is to Help People and Communities Enjoy a More Certain Financial Future, and we feel with this partnership we can live that purpose in more ways with more people,” Mr Mead added.
